

USE AND MAINTENANCE

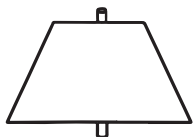

Use on level surfaces only
Because this product needs assembly, it is prone to working itself loose from time to time depending on the use. Please take the time to check that all connections are still tight and working properly
Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

Snow Frosted Christmas Tree

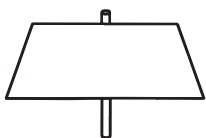

PART LIST

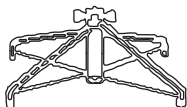

1 - The Top Section Of The Tree x1

2 - The Middle Section Of The Tree x1

3 - The Bottom Section Of The Tree x1

4 - Stand x 1

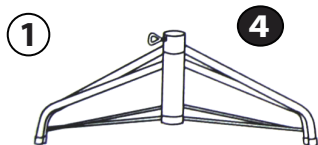

5 - Branch x 1

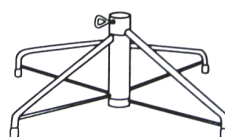

6 - Leaf x1

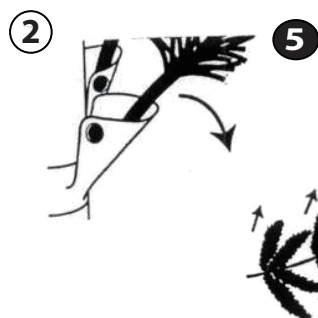

Assembly Instructions

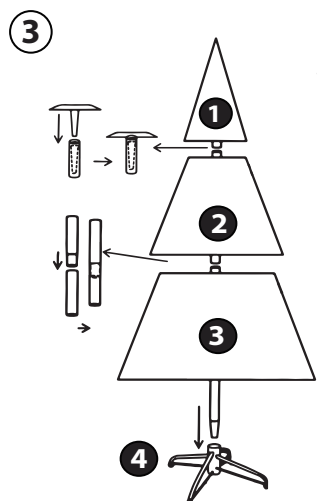

1. Carefully remove the tree set from its package. Set the 4 metal stand on a level floor, ensure it is cross-shaped for firm standing. Set the bottom section of the tree to the stand. Screw the eyebolt through the hole of metal tube to ensure secure connection.

Eye Bolt

2. Shape the 5 on the bottom section of your tree. Some tree styles have "side branches" attached to the main branch stem that require additional shaping.

3. Insert the 1 into the 2 into the 3. Shape the branches the same way as you have done for the 3. Insert the tree top shape the leaves to a natural look. After shaping the complete tree the finished look should be natural and full. Your tree is ready to be decorated.

Congratulations! Setup of your new Naomi Home Snow Frosted Christmas Tree is Complete!
